E Hedderly, Agent, For the sale of Richardson & Taylor's Ploughs. 600 PLOUGHS. The subscribers are now manufacturing the most splendid lot of Ploughs, right and left handed, of the Peacock, Sloop, Diamond and Witherow Patterns, ever made in this city. Having been engaged for several years in this business, they consider it almost needless to say anything more than merely to let the people know that they have them on hand and for sale. They are making a large lot of the Diamond, which in loose soil or stubble take the lead of any plough now in use. The Witherow, in sod or hard ground, cannot be beat. The Peacock and Sloop are too well known to need any praise, therefore they will only add, that their Ploughs are laid with the best of German steel The timber was selected with great care, and is well seasoned; and

they warrant them in all cases to be good, and to perform well. They therefore invite Farmers to give them a trial. For sale at E. Hedderly's, opposite C.
